# FOCUS ON THE TEENS

---

The Youth Ministry vision 2023 seeks to give a renewed attention to teens ministry and endeavor to offer a ministry that meets the unique set of needs of teens.

# TRANSITION BETWEEN MINISTRIES

---

- Collaborate with the Children's Ministry leadership to establish appropriate protocols of passage for thirteen-year olds moving into the Youth Ministry.
- These protocols shall encapsulate a demonstration of knowledge and ability on the part of the young people.

# TRANSITION BETWEEN MINISTRIES

---

## Adopt Timothy Generation for 13-14 year olds

- Content
- Mentors
- Small groups (prayer triplets, Bible reading clubs)

# TEENAGERS IN SCHOOL

---

- Volunteer chaplaincy services to the schools
- Involvement of members and officers on campus
- Involvement of PENSA Travelling Secretaries

# PRE-TERTIARY CONFERENCE

---

We shall explore the possibility of splitting the pre-tertiary PENSA conferences from the tertiary conferences in order to give the adolescents the attention they so much deserve.

# TEENAGERS AT HOME

---

We shall explore the possibility of dedicating the Saturdays of the ministry weeks to teenage classes.

# CONCLUSION

---

It is this time to focus and be intentional about teenage ministry because wherever you are there is a teen who needs you. Therefore, let us all roll up our sleeves and get involved in every way possible.
