GOD DESIRES TO SPEAK TO THE NATIONS IN WAYS THEY WILL UNDERSTAND

GOD USES MEDIA

The Bible demonstrates that even God uses various Media in order to communicate with mankind. These Media (burning bush, dreams, Ark, etc.) are always well suited to the time and needs of the hearer.

POSSESSING THE NATIONS AGENDA

As a ministry, we seek to possess the Nations by Grounding Young People in Christ...in a friendly and modern way without compromising the fact.
