THE CONCEPT

Vision 2018 further desires that the church play a prophetic role in leadership direction in pursuance of holistic development of our nation Ghana and the nations of the world.

According to *John C. Maxwell*,
'EVERYTHING RISES AND FALLS ON LEADERSHIP'.

Sound political leadership plays a pivotal role in the development of any people.

VISION

The Youth Ministry seeks to raise politicians, statesmen and diplomats for Ghana and the world who shall be real 'salts and lights' in this morally challenging post-modern world.

MISSION

Undergirded by principles drawn from God's word, the chamber seeks to instill into emerging leaders virtues such as hard work, patriotism, honesty, integrity, sacrificial service, social justice and diligence.

CORE VALUES

- Leading with integrity and selflessness*
- Being real examples of faith in Christ*
- Using political career to bless the entire world*

BIBLICAL FOUNDATION

When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn. Whoso loveth wisdom rejoiceth his father: but he that keepeth company with harlots spendeth his substance. The king by judgment establisheth the land: but he that receiveth gifts overthroweth it. (Proverbs 29:2,4 KJV)

TARGET & TAKE OFF

The target group of persons would be members of the Church of Pentecost who are ready to subscribe to the ideals and values of the chamber who are thirty-five (35) years or below. Pentecost Students and Associates from all Pre- Tertiary and Tertiary institutions would be one of the cardinal avenues where students would be periodically and consciously nurtured and encouraged to take part in active student politics with a Christ transformed life.

WAY FORWARD / IMPLEMENTATION

Political Chamber shall continue at the national level and shall have branches in tertiary institutions which shall pick members from their first years on campus. Entry into the National Chamber shall be on merit and shall be competitive. The Church shall commit itself to developing cohorts in the National Chamber for a specified duration (say 2 years) on a selected content on discipleship, the constitution of Ghana, public speaking, and other relevant content. As part of their training, participants shall be required to regularly visit parliament and avail themselves of state functions. This shall be the intentional nurturing component of the Chamber. On the campuses, Political Chamber shall require its members to go for leadership positions in the SRC and NUGS, and at the hall, department, classroom, and other levels. Candidates from the home context shall also be required to vie for leadership positions in their communities such as serving as assembly members, unit committee members, etc
